O R D E R:-

In the letter read above, the Commissioner, Greater Visakhapatnam Municipal Corporation, Visakhapatnam has stated that they have given their consent for the project viz. "**Sewerage System for Gajuwaka, Malkapuram, Pendurthy & Development of 83 MLD STP**" initially to the Chief Executive Officer, Andhra Pradesh Urban Infrastructure Asset Management Ltd. (APUIAML) through their Letter Rc No. 53/2015-16/EE(UGD), Dt. 20-08-2016 and requested the APUIAML to provide professional services towards development and implementation of the Project. The APUIAML, vide their letter dt.23.3.2017, has submitted the final Strategic Project Report along with Brief Approach note for the Project. An integrated approach in project development is taken on the following broad principles:

(i) Optimal utilization of the existing Project components by ensuring full utilization of the currently existing STP.

(ii) Phasing out the laying of the sewer network.

(iii) Recycling and Reuse of the treated waste water from the STPs for industrial use.

p.t.o

The Salient features of the Proposed Project includes:

- Laying of Sewerage network of 710 km and providing about 85,000 connections in Gajuwaka, Malkapuram and Pendurthi (in a phased manner).
- Full utilization of the existing recently constructed 108 MLD STP at Narava comprising of two modules of 54 MLD each. While one module of 54 MLD has been constructed and is to be commissioned, the other module of 54 MLD requires some balance works to be carried out for its completion.
- Augmentation of existing sewage pumping stations and development of new sewage pumping stations as required.
- Laying of sewage conveyance main for conveying the raw sewage upto the Narava STP.
- Development of a Waste Water Treatment Plant (WWTP) of about 92 MLD with additional treatment facility to further treat the treated waste water from the STPs for sale of Recycled Water to industrial users — the extent of treatment will be decided based on the requirement of potential industries that have evinced interest in utilizing Recycled Water.
- Laying of recycled water conveyance mains from the WWTP to the potential industrial bulk consumers users (Vizag Steel Plant & NTPC Simhadri).

2. The Commissioner, Greater Visakhapatnam Municipal Corporation, Visakhapatnam, has further stated that the GVMC Council vide their Council Resolution No. 764/17, dt.31.5.2017, have resolved to approve:-

(a) initiation of the project development and other activities by APUIAML.

(b) Submission of Approach note to Govt of AP for undertaking the Project under the SPV framework.
